Prevention Checklist

General Safety Tips

- Do not click on unknown or suspicious links in emails or messages.
- Always verify the sender before sharing personal information.
- Use strong and unique passwords for different accounts.
- Enable two-factor authentication (2FA) wherever possible.
- Avoid using public Wi-Fi for sensitive transactions.
- Keep your apps and devices updated regularly.

UPI / Financial Safety Tips

- Never share your OTP, PIN, or banking details with anyone.
- Do not accept unknown payment requests on UPI apps.
- Double-check the UPI ID before sending money.

Reporting Cybercrime

- Report cybercrime at: https://cybercrime.gov.in
- Call the Cyber Crime Helpline: **1930** (available 24x7)

Following these simple steps can help prevent cyber fraud and keep your digital identity safe.
